

# OPERATION DAY'S WORK

## Request for Assistance:

Operation Day's Work encourages Thetford Academy students to participate in the 'Day of Work' on Wednesday, May 5th. ODW's agenda is to improve the quality of life worldwide by raising money to provide assistance for those who need it the most. This year, ODW is focusing on Haiti, the poorest country in the Western Hemisphere. The United States is the wealthiest country in the Western Hemisphere. We feel it is our duty as citizens to promote worldwide health and equality. On May 5th, participating students will work for the day at a job of their choice, and offer their earnings to the cause. Thetford students, along with students from six other schools across the country, are in the process of selecting a non-government organization to work with. After this decision has been made, the money raised by Thetford Students, combined with money raised by other students across the country will fund the project that has been selected.

## How can you help?

We need jobs. If you can provide a job for one student, or a number of students, please contact the school's office. A student could do odd jobs, shadow a parent for a day, help at a car wash, or work for their own employer. Employers are needed to sponsor Thetford Students for the day of work. At the end of the day, a receipt should be filled out, guaranteeing that the employer will donate the student's wages to ODW. We ask that employers offer minimum wage or better for the student's services.

Please contact the school if you can help. (802)-785-4805,
